REFERRAL LETTER

My Moving experience with Elite Moving & Storage Inc. has been:

Satisfactory, the movers & packers were very polite & professional, however they left a few dents on my bedroom wall & office. They left one of my full length mirrors & kitchen items. My wall clock glass covering was broken also. Moving time was excellent!

Delivery took some coordination but when Elite moving and storage delivered they performed as promised. I would use Moving Experts and Elite Moving & Storage for future moves.
